Never place the battery or device on, or in, heating units.

Do not dispose of battery or device in a fire.

Fully charge the light/battery before use if not used for over 3 months.

Warranty

Fabric product is covered by a warranty of ONE YEAR commencing at date of purchasing from an authorized Fabric dealer. This warranty does not cover faults caused by deliberate damage, violent impact or unauthorized dismantling. Warranty service should only be undertaken by your retailer and from there, the distributor in your region. If you attempt to repair or modify the product by yourself, it will not be covered by warranty. Prior to returning, please contact your Fabric Authorized Service Provider (place of purchase). All returned products must be packed carefully. Please enclose the warranty certificate (Proof of purchase) together with a detailed description of your claim.
